Dear Parents and Carers,

Community Café Update

Everyone is welcome to join us at 'Chy Palores' in the school garden after school on a Tuesday or Thursday after the official opening of the building- date to be confirmed at the start of next term. Friends and family will be especially welcome as we hope to be joined by members of our local community for reasonably priced refreshments and a chance to chat.

This week I visited St Mary's Haven, Penzance where I met with staff to discuss the possibility of introducing some inter-generational work between our situations. The natural affinity that young and older people have with each other is clear to see and strong evidence identifies the many benefits for all concerned with experiences of this kind.

More details will follow next term but in the meantime why not take the opportunity to visit St Mary's Haven on National Open Day 21st April?

Porthcurno Class Visit Truro/Penwith College

Yesterday Y5 and 6 visited Truro Penwith College to take part in a 'Drastic Plastic' workshop with Katie Maggs and some other staff and students at Penwith. The group would like to pass on their thanks to all who helped them consolidate their learning from last term concerning how we can all contribute towards making a difference to our world.

Farewell Mrs Rowe!

Mrs Rowe has worked at our school in various roles for seventeen years, most recently as our Cook-in-Charge. We are very grateful for Mrs Rowe's hard work and commitment over many years and would like to take this opportunity to thank her for the many happy memories she has helped to create within our school- who will forget the Big Breakfast with help from the Cornish Pirates?? Although it was time to say 'Good-bye' today, Mrs Rowe assures us that she will be back to visit us soon. We wish her well as she leaves us to face new challenges and to welcome her successor, Ms Victoria Pryor, who will begin work in our school kitchen from the start of next term.

Nanjizal Class Geography Trip to Nanquidno Valley

Yesterday Nanjizal Class enjoyed a Geography Field trip at Nanquidno. They first explored the stream, measuring the depth of the water at various points as well as finding stone samples to consider their roundness and how their shape may have evolved over time. Then it was over the cliffs where they were lucky enough to see several pairs of choughs in the spring sunshine.

'I saw two choughs!' Jo told his mum excitedly after school...well, a chough is our school logo so how amazing to have seen them flying over the cliff tops.

Thanks to the Thomas family and all other helpers for a special afternoon.

Year two returners, will get a different tee-shirt, different bag (to fit (stumps and bat), stumps, bat, ball and achievement passport.

A truly great offer which is value for money..

Why is All Stars good for your child and your family?

All Stars Cricket will provide your child with all of the fundamental skills they need to play. Through lively, fun games, they will learn about cricket and be better prepared to take part in all sports. Over the eight-week programme, the trained activators will teach your child to:

- Catch and throw a ball
- Hit a moving ball
- Bowl with a straight arm
- Play a basic game of cricket
- Work and communicate as a team
- Have lots of fun with new friends

All Stars Cricket is also fantastic for parents. For an hour a week all mums and dads are invited to get involved and play cricket with their children. We know this is a great way to spend time with your child and create memories that will last a lifetime.

Sign up your son or daughter now when the sun is out!! The sooner you do the sooner they will get their kit.
