Dear Parents and Carers,

Y5-6 OPEN MORNING

On Monday Porthcurno and Porthmeor Class held an Eco Event to demonstrate the many activities that they undertook last term in order to demonstrate the impact that each and every one of us can have on the world. Even before the morning began there was discussion from the Friends of the School, who kindly provided refreshments for the event, about sourcing environmentally friendly glasses for the bar which they will be running at our Flats and Sharps Benefit Concert on the 24th February! Thanks to all those who supported the event and helped make it a memorable occasion. Just in case anyone was wondering, as many items as possible which had been collected in our beach cleaning, were responsibly recycled at the recycling centre at Community House.

(More photos of the morning are in the Gallery section of website)

School Kitchen News

This week our school kitchen was inspected by an environmental health officer who decided that standards remained at the very highest level and consequently awarded a 5 Star Rating, a credit to our kitchen team.

We know how lucky we are to have such an amazing kitchen on the school premises so it is with great sadness that we announce that Mrs Rowe, who has worked with us for many years in different roles has decided to leave us at the end of this term; with her family moving in new directions she now finds it difficult being restricted to term dates and times. We wish her well with her future plans.
