Spring Term Key Dates

31st January - Matilda trip

18th-22nd Feb. - Half term

5th April -End of term

PE Kits

Please ensure that your child has the correct PE kit on PE days. This should be a white shirt with black shorts or dark jogging bottoms/leggings and suitable footwear. Please check with class teachers if you are unsure of PE days.

Believe, Achieve, Aspire

Buryan Bulletin

We are at the end of another busy week which has seen us begin to organize events for the remaining of the school year.

This week those attending the Matilda trip to the Theatre Royal, Plymouth were given more information which included a slip to return. Please return that back to school early next week. We will notify you on the finer travel arrangements closer to the time.

We have also been planning our end of the year residential trips, where years 1-6 have their own overnight stays. I think that this is one of the many great things that we offer at the school. The extra-curricular activities that we offer are unique and I believe that these sorts of opportunities offer the children some important learning in the form of teamwork, appreciation, empathy, self-confidence, trust and relationships. Years 1 and 2 have their one night stay at Hayle, Years 3 and 4 have a two night stay at Hayle too. Year 5 and 6 have a 5 night stay on the Isles of Scilly which is always a highlight of children's time at St Buryan Academy. Of course Penberth

Head of School: Mr Josh McDonald

have exciting day trips too!

Our After-School Community Café in Chy Palores is back up and running on Thursday afternoons from 3.15pm. It's a great chance to catch up over a hot drink and piece of cake.

A reminder that if your child is using the school's apparatus after school, they must still be following the school's rules on it, which includes not going over the top of the apparatus. They must also be supervised at this time.

We also have the opportunity to host violin lessons in school - please let us know if your child may be interested.

With temperatures dropping, please make sure that your child brings a coat to school. They must also be in winter school uniform at this time (other than Friday's) - this includes wearing the school tie. See the uniform page on the website for more details.

Have a great weekend,

Mr Josh McDonald

Endorsed Academy

Key Stage 2 (Years 3-6) are now working with Endorsed Academy on Wednesdays. They help develop important life skills through teamwork and physical activity. Children will receive a reward book which they are free to take home and share with you, so ask about what they have been up to and look after the book. It needs to be in on Wednesdays.

Activities R Us

Please remember that Activities R Us finishes strictly at 5.30pm due to staff hours.

Next week's activities:

Monday - Pizza making

Tuesday - Construction

Wednesday - Competition Time

Thursday - Bracelet making

Friday - Puzzle making

Well done to Noah, Hugo and Oliver M for their prize winning pictures this week!

Breakfast Club

Breakfast Club is back in the hall, so please use the hall entrance when attending. We are also providing food for a small cost.

Penberth News

This week Penberth class talked about winter. We looked at the bare trees and considered how birds might be struggling to find food. Our project was to make some birds to sit on the class tree and we are planning to make real bird feeders. In maths we continued to learn about addition and subtraction of numbers to 10.

Gwenver News

Gwenver have been busy with their Great fire of London topic which they are really enjoying. They have written some excellent newspaper reports and have drawn some lovely charcoal sketches of St Paul's Cathedral. We are really excited about our trip to the fire station next week!

Nanjizal News

We have been writing and building our own books this week. It has been great to see the children's ideas and inspiration start to come to life as their plain paper turns into a work of art. We will carry on with this next week, so watch out for the finished products. Multiplication continues to be our focus in maths - so that is the homework for the week end.

Porthcurno News

We are extremely engaged with our World War 2 topic with the children doing some great independent investigative learning. We have been looking at the key figures of WW2, including some less well-known ones from our own area. We have been looking at propaganda posters, creating our own and looking at the lives of evacuees. In maths we have been deepening our knowledge and understanding of decimals, including multiplying them.

Celebration Awards

We believe in celebrating children's successes and achievements, which is why we have introduced our Celebration Awards, given out every Friday afternoon. Children can win awards for amazing pieces of work, putting in a lot of effort, being a great ambassador for the school, a thoughtful friend and much more. This week's winners are:

Reception - Lettie

Year 1 - Eva

Year 2 - Grace B

Year 3 - Kiona

Year 4 - Madeline

Year 5 - Joseph

Year 6 - Arthur

Mr Mac's Challenge of the week!

In assemblies this week we have looked at teamwork in wildlife; like how ducks fly and how a pack of wolves walk together. Can you think of more great examples of teamwork in nature?

After-school clubs

Monday 21st

Basketball with Mr Tremaine until 4.15pm

Homework club with Mrs Connell until 4.15pm

Book Club with Mrs King until 4.00pm

Wednesday 23rd

NO HIGH 5s DUE TO TUESDAY HIGH 5s FIXTURE
