HEAD'S WELCOME

Mr McDonald

Welcome to 2022 at St Buryan Academy!

Despite this week being a short one, it has been action packed and we have kicked off 2022 in style!

On Wednesday Porthcurno had a design and technology day where they successfully created their own rotating planets! The children showed lots of ingenuity as well as resilience and patience in overcoming any barriers to produce these amazing pieces of DT - a perfect way to sign off last term's Stargazing topic along with their trip to the planetarium at the end of last year!

In assembly this week we have been thinking about showing pride in ourselves and our school community. We discussed what our uniform means to us and compared it to the sense of pride someone may get when wearing a sports kit or something else that represents them. We want all of our children being proud of representing and attending our school, but more so to be proud of their achievements daily; therefore, their task this week was to reflect on something that made them proud each day whether it was a piece of work, supporting somebody, displaying random acts of kindness or anything else.

A reminder that swimming recommences next week with Penberth, Gwenver and Nanjizal. Please remember to make payments through ParentPay.

After school clubs are back up and running with KS1 on Monday and KS2 on Friday, these will take place indoors if it is too wet or cold.

Thank you to those who have logged in on Google Classrooms, please make sure that you do and respond to the teacher. If you are having difficulties then please let your child's teacher know.

Have a great weekend

Mr McDonald and all at St Buryan Academy.
