### **Welcome to our fortnightly newsletter!**

It has been a busy start to Summer Term!

We've been to PK Museum to have workshops with them and The Minack to celebrate Earth Day, have had Penzance Tennis Club in for PE lessons, have had visitors from France to practice our linguistics and much more already! There's a lot to come too and to ensure that you are up-to-date with everything please check newsletters, letters home and any other means we reach out to you on. We do our utmost to notify you of dates at the earliest possible opportunity and aim to do this in a variety of ways for all, whether it be texts, our website, social media pages or our notice board outside of the school. It is a busy term ahead so being aware of what is coming up is important - and if we are in a position to have to make any changes to our calendar, we will let you know as early as we can.

Over the next two weeks we have two bank holidays on the 2nd and 8th. There is a strike day on Tuesday 3rd, please see the letters sent out last week for affected classes. Next week we will be inviting the RNLI in on Thursday morning for a special assembly where they will talk to children about their roles and responsibilities as well as staying safe in the coming summer months.

The following week is our Year 6 SATs; our year 6s will be taking a letter home with information regarding these today. That week, Year 5 start their Bikeability course too and we will be welcoming Miss Baxter, a trainee teacher who will be joining us for the rest of the term.

On the Tuesday of that week we will be recognising the King's Coronation with a special lunch and activities. Today your children will have taken home a piece of card and the challenge of designing a crown for the occasion - all information is on the piece of paper accompanying this. Before half term we also have our Key Stage 1 SATs, parents will receive information about these soon.

Some new dates for your diary include Sports Day on 30th June in the afternoon at Community House and our Summer Fete on Friday 21st July at school. As I mentioned previously, please see the website calendar for more dates.

Before the Easter holidays you helped our continuous development with the completion of some surveys. Hopefully you have seen an impact on these and some of your feedback being considered. You should've received class info letters about this term's learning - these are on the 'Class Pages' section of our website if you want to look at these again. We have shared, as we had been doing, assessment feedback as well as attendance figures too. We are hoping to start work on developing a path from the bottom gate this term - thank you to the Parish council for the kind donation of some money to help ensure the steps to the gate are safe to use. If anyone has a turf cutter to help us develop the path area, or any resources to help surface this, then please do get in touch.

We have two great opportunities to join our team here at St Buryan Academy. Please see the adverts below and if you are interested in either of the positions - or know someone who may be - please get in touch.

Thank you and have a good weekend

Mr McDonald and all at St Buryan Academy
