*Dear Parents and Carers,*

## Gwenver Class- Pasties!

On Tuesday Gwenver had great fun making pasties with Morwenna. Having learnt about the vegetables that are used to make a traditional Cornish Pasty they set about making an individual pasty for them all to take home at the end of the day.

Grateful thanks to Morwenna for taking on this mammoth task- I'm told the pasties were delicious!

Gwenver Class also enjoyed a tour of the theatre, exploring all the secret places usually unseen by the general public. Everyone agreed that we are very lucky to have the Minack Theatre, a fantastic resource, so close to us and to be able to take part in their outreach work.

Grateful thanks to Kim, Dean and Craig for their workshop and to the staff at the Minack for helping make our visit a truly memorable experience.

## SKY'S ASSEMBLY

We were delighted to welcome past pupil, Sky, back to school this week. Since leaving St Buryan Academy, Sky has been busy making the most of many opportunities offered at Humphry Davy School. She has been particularly involved in charity fundraising and it was this that she chose to speak to us about in assembly as our school has raised some funds to donate to one of her chosen charities which will fund the building of a Girls' Room in Uganda. Sky and Mr Royle spoke to us about a recent trip to Uganda and showed us photographs to illustrate how hard life is there with the lack of water, food, electricity, basic medicines and so many other things that we take for granted. It was a thought provoking assembly which made us feel very lucky for all that we have. Thank you Sky!

**Gwenver Class** have been learning about Healthy Lifestyle choices. Their latest investigation concerned the healthiest drink and involved testing egg shell, which is molecularly similar to tooth enamel, in a variety of different drinks. Water was the clear winner, narrowly ahead of milk whilst coke cracked the egg shell making it soft and brown. We also left some pennies in coke over the weekend and were shocked at the results...why not try it?
