

At St Buryan Academy we aim to motivate our children to achieve their potential through a love of learning and inspirational teaching.

We encourage our children through sharing high expectations and celebrating personal, social and academic achievement.

St Buryan Academy provides an engaging curriculum that creates independent thinkers who enjoy learning.

We support and encourage parents and carers to be active partners with the school in their children's education.

We aim to develop young people who are resilient and who demonstrate respect, fairness and honesty.

We inspire our children to engage in, and contribute to, the world around them.
