*Dear Parents and Carers,*

*This week KS2 have been busy completing their statutory KS2 SATs.*

*Whilst we, as a school, recognise the value of assessments such as these, we continue to highlight equally the importance of our children's social development. We recognise and celebrate such achievement through continuation of our Virtues Project which has been a focus this year. Our children know that they are all talented in different ways and that they can develop their character in a positive way by recognising the virtues needed to help build a good, strong and resilient character.*

*There has undoubtedly been a recent over-emphasis on academic achievement. Whilst always encouraging our children to 'give of their best' we recognise that, in order to achieve their true potential in life (whatever that might be) children need emotional resilience too.*

*In the forthcoming weeks KS1 are also looking forward to completing their assessments, with other year groups undertaking optional papers.*

### School Choir/Singing

The annual Bernard Williams Memorial Concert was held recently at St Mary's Church, Penzance with performances from 3 local secondary schools.

I was delighted to hear about the high percentage of past pupils from our school who participated.

I was told that one choir taking part was actually formed due to requests from St Buryan's ex-pupils who missed our school choir so much. Keep it up- singing is good for you!

## **Music Lessons:**

Several parents have asked about the range of music lessons we are able to provide at school. Anna Dowling, an experienced peripatetic music tutor, who has been working in schools for the last 10 years, has offered to provide affordable lessons in school for anyone interested in learning the violin, fiddle or piano.

### **All children are welcome from all year groups.**

From Reception to Y1 children the focus is on developing musical skills through games, songs and rhythms. Lessons are focused on enjoyment and gaining an understanding of music.

From Y2 the focus is on developing technique and skills, developing confidence and having fun.

Lessons are £6 for an individual 20 minute lesson or £4 for a lesson shared with one other pupil.

Payments may be made weekly or half termly. There is no charge for missed lessons or absence.

Children are offered the chance to take grades, music theory and Music medals.

Visit Anna's website at [www.annadowlingviolin.com](http://www.annadowlingviolin.com)

for more information or contact school if interested.

## A Message for Parents/Carers from St Just Community Library

"The trustees of St Just Community Library are still working hard to ensure the future of this important facility, and are confident of progress towards taking it over for the community later this year. St Just Town Council has now committed to a generous grant towards the running costs of the building for at least three years, but we still need money to undertake some of the urgent repairs that are required, so we are busy applying for grants. One of these needs your help:

We have applied for a grant from Calor Gas to pay for the repainting of all the outside woodwork, and for new signs and noticeboards. They will only consider our application if it receives a large number of online public votes, and that voting has to take place between 22<sup>nd</sup> and 26<sup>th</sup> May. Please put these dates in your diary, and tell all your friends and family. We will send you information on how to vote as soon as we have it. Make sure that the community supports us in our efforts to secure the future of our library!"

Thanks for your help. Kind Regards Ginny March co-chair St Just Community Library
