## Giving Mothers Skills for the Digital Age

### Digi-Tech Day

Thursday 24 May 10.00am - 3.30pm

The Exchange, Penzance

FREE

Our daily lives are now impacted by digital technology, what does this mean for you and your family? Perhaps you are looking to go back to work, or increase your work opportunities. Or perhaps you are concerned about how your children are engaging with digital technology and social media. It is easy to be daunted by the fast pace of change at home and in the workplace over the last few years. To explore what the future of digital technology means for you and your family, come and join Digi-Tech Day where you can ask the experts and:

- Join a social media workshop
- Try out Virtual Reality, the next big thing for this generation.
- Listen to a talk about the future of VR technology and its impact on our society.
- A chance to join free training and courses for digital skills in Penzance

Please book a place on 01736 333700 or [miranda@digitalpeninsula.com](mailto:miranda@digitalpeninsula.com)

Kind regards,  
Cherish Maxwell,  
Project Manager, DESD

At the event, there are lots of opportunities to take up free training and courses with us as well (we are a funded organisation working with government and EU agendas), but the Digi-Tech day is just a little taster of a few things. At the moment we have a project specifically targeting women. We have lots of other free training which is for almost anyone. If you want to know any more about us or what we do, just let me know.
