

Porthcurno Class Newsletter Autumn 2022

Topic - Frozen Kingdom

Welcome to the planet's coldest lands. Vast wilds and hostile territories; incredibly beautiful, yet often deadly. Take shelter from the elements or fall prey to icy winds and the deepest chill. Trek bravely and valiantly across treacherous terrain to the ends of the Earth, treading deep in snow or being pulled by a team of mighty sled dogs. Be alert, for magnificent mammals roam these lands, sometimes hungry or fresh for a fight. Perhaps a hungry polar bear or an Arctic fox is hunting rodents, as swift as the wind. Research facts and figures of climate, temperature, habitats and ecosystems, and compose evocative poems about this hostile landscape. Become part of an Antarctic exploration team, braving the elements to discover the uncharted territory. Wrap up well and settle by the fire. I'm just going outside and may be some time.
