*Dear Parents and Carers,*

### St Buryan goes Supersonic (actually about 210 mph)

On Monday 30th October a group of 10 pupils spent the day at Newquay Aerohub to watch the first, and only, public running of the Bloodhound SSC (Super Sonic Car) on British soil. The Bloodhound aims to be the first car to break 1000 mph, the biggest single jump in the land speed record ever attempted.

The aim is to inspire the next generation of engineers and inventors, so there were displays and hands on activities for everyone to have a go at, from using a bike to power lights (Jed and Peggy were our speediest peddlers) and building electric circuits, to making 'smoke' rings using flour!

Well done to Zoe, Peggy, Thea, Jed, Jake, James, Jago, Tobias Tean and Leon who were great ambassadors and impressed everyone they spoke to.

## **Nanjizal Visit to Chysauster**

Nanjizal Class enjoyed a visit to Chysauster recently where they spent time exploring the site before discovering how being outside can make our writing extra special. Amilie wrote: 'Beyond my toes there are some long, dry, green swishy grasses...Beyond the grass is the shiny bright sun.'

There was some time too for measuring the footprints of the houses; Aysa and Evan were surprised at how large some of the houses had been. Many thanks to Mrs Sladen and Mrs Holmes for accompanying us and helping out and to ex-pupil, Adrienne, who is now site manager at Chysauster and helped us organise the visit which we all thoroughly enjoyed. Grateful thanks also to **Cornish Heritage** for their support.
