*Dear Parents and Carers,*

*Happy New Year and very best wishes for 2018, which we hope will be a happy and eventful time for our school.*

*We certainly plan to make an exciting start to the term with each class having plans in place to ensure learning of the best kind for every child.*

*Late last term a certain amount of late night activity was noticed at school. At the time we were not able to divulge what was happening but I'm now able to let you all know that local bluegrass band, Flats and Sharps were recording their new album in our school hall.*

*Their recording went really well and, as a 'Thank you' for the use of our hall, the boys- including past pupil, Mikey Ponsford, have offered to play a Benefit Concert for us to raise funds for Outdoor Learning Opportunities / Camping Equipment.*

*We are very grateful to Flats and Sharps for this opportunity as they are scheduled to be travelling to Australia shortly after their concert.*

*Tickets for the Flats and Sharps event will be on sale from our School Reception from next Monday 8<sup>th</sup> January. We expect the limited number of tickets to sell out quickly as Flats and Sharps enjoy a wide following, both locally and nationally and their tickets usually cost more. We recommend that you buy your tickets quickly as it promises to be a great night.*

*F&S will soon be promoting the concert on their website [www.flatsandsharps.co.uk](http://www.flatsandsharps.co.uk) so get ahead of the crowd and be sure to let your friends know about this charity event too.*

*In the meantime, why not check them out on YouTube and see for yourselves the treat that we have in store. Search 'Flats and Sharps Bluegrass' and click on some favourites such as 'Duelling Banjos' (on Bristol to London train), 'Ginny's Song', 'This is my Life' but don't be disappointed, buy those tickets next week...*

### **Welcome to trainee teachers**

We are delighted to welcome back Miss Zietmann, who will be working in Nanjizal Class this term and Mrs Hatchelt who will be working in Gwenver Class.
