Sickness

Please remember that we have a '48 hours policy'. This means that a child must stay off school for 48 hours after their last bout of sickness. This is to help prevent any illnesses spreading throughout the school and to ensure all children and staff are well.

Please remember that school starts at 8.55am and all children should be in school ready to go into classes and start their learning by that time.

Thank you

Buryan Bulletin

Our camping adventures for 2019 are at a close – and what a few weeks we have had.

Starting with the Isles of Scillies camp a few weeks ago and finishing with our Hayle camp this week, we have made some great memories and had some brilliant times.

It has been really enjoyable to play a part on each of the camps and see the children out of the school and learning new, vital skills. It was so pleasing to see the children thrive in different situations and for everyone to have such an enjoyable time.

I was so proud of every child's behaviour (which was positively commented on by members of the public), their empathy towards each other, their politeness, courage and ability to support each other – some great friendships were formed, blossomed and strengthened.

Instead of class reports this week, on the opposite page you will find a collection of photos from this year's camps.

We have more excitement next week as we have several events planned. On Monday (weather permitting) we will be hosting our annual Sport's Day – please check letter sent home today regarding arrangements for this along with Lafrowda Day plans.

We also host our Summer Fete this week as arranged by the Friends' of St Buryan Academy. Not only is this a great opportunity to get the school community together, it is also an important fundraiser for the school. The Friends of SBA are still after some donations for next week, please see below.

I would also like to thank all of the staff in and out of school, as well as volunteers, who have given up their own time to ensure that all of our residential opportunities possible and to make sure that the children of St Buryan Academy have such unique and worthwhile experiences here.
