Buryan Bulletin

The end to another action-packed week is here! It has been especially busy for Gwenver class, who had two very exciting trips this week. Firstly they visited the Fire Station where they got a tour and then even gave our mini bus a clean with the fire hose!

Gwenver also went to St Mary's Haven on Wednesday where they asked the residents about World War 2 for some project work they are doing with Porthcurno Telegraph Museum; it is great for the school to be actively involved in the community.

We are thankful to the St Buryan Inn for hosting our quiz night on Sunday 3rd February from 7.30pm! It would be great to see as many of the school community there as possible supporting the school. It will cost

£2.50 per person and the team sizes will be a maximum of four – get in touch with Sarah at the pub or Nicola Ginty to book your place! I've already been catching up on Eggheads in preparation!

If you finish any cereal this weekend, please can we have the cereal boxes? Year 5 and 6 are in need of them for a science project. Thank you!

We are really excited about the Matilda trip coming up on Thursday. Final information will be going out next week – please remember that children should be wearing smart uniform on the trip as it is a school visit and they are representing St Buryan Academy!

Thank you

Mr Josh McDonald

Activities R Us

With Chinese New Year approaching the week after next, we are preparing by doing some Chinese crafts!

2-year old provision

We are able to offer 2-year old provision at St Buryan Academy! If you require any information, then please pop into the school office.

Penberth News

Our challenge in Penberth class this week has been that every child completes a puzzle and embraces it with enthusiasm. We have been observing the birds that live in the trees around the school and learning their names. In maths we are learning how to write addition and subtraction sentences using the correct symbols.

Gwenver News

Gwenver had a lovely time at the Fire station this week. They loved using the water hose and climbing inside the fire engine! The children also learnt that the yellow signs with a H on them are the hydrants that the fire fighters use to get more water to put out fires. See if you can spot them as you're out and about! Also a correction on Mrs Wilson's email address if you're emailing homework: ewilson@stbryanacademy.org. Thank you for all the lovely homework that has been shared so far.

Nanjizal News

We are well into our topic now and I have been really impressed by the stories the class are writing this week. Planning, writing and then improving our work even more shows skill and knowledge, as well as perseverance; a great mix. Mrs Rendle has sent a picture of a most unusual egg that she has found high in the mountains - we can't wait to see what it might be?

Porthcurno News

With our High 5s team in action this week, here is a report from their fixture: On Tuesday we played our last Hi5 game in the league against Pendeen at Mount's Bay. Our captain was Kiana and we really enjoyed it, even though we lost by quite a lot (they did have some very tall players). Playing against other schools is fun, we hope Mr Butterfield can arrange another match. Well done to all of our High 5s players this season!

Celebration Awards

We believe in celebrating children's successes and achievements, which is why we have introduced our Celebration Awards, given out every Friday afternoon. Children can win awards for amazing pieces of work, putting in a lot of effort, being a great ambassador for the school, a thoughtful friend and much more. This week's winners are:

Reception - Ayla

Year 1 - Zola

Year 2 - Isaak

Year 3 - Alfie Pi

Year 4 - Emily

Year 5 - Harry Tr

Year 6 - Ed

Mr Mac's Challenge of the week!

In assemblies this week we have looked at teamwork in wildlife; like how ducks fly and how a pack of wolves walk together. Can you think of more great examples of teamwork in nature?
