## **2016 – 2017 PE and sport premium funding report**

### **Sport Premium Overview**

St Buryan Academy Primary School's Vision Statement: "Believe, Imagine, Aspire"

At St Buryan Academy Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

#### **Sport Premium Grant**

Funding for schools is calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

Total no of primary aged pupils between the ages of 5-11- 101

Total amount of Sport Premium Grant received £8,415

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

At St Buryan Academy Primary School we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

### Funding received

No. eligible pupils: 101	Total amount received: £8,415

- Our school believes passionately in the value of competitive sport
- Unlike many other primary schools all year groups swim weekly throughout the year
- We enter League tournaments in Hockey, Football, Cricket, High 5s and Rounders and hold annual Sports Days, with all pupils receiving recognition for effort, achievement and participation
- Our school believes that, in promoting the benefits of physical activity to pupils, we direct them towards adopting healthy, active lifestyles in the future
- Pupils have access to a broad and balanced PE curriculum which encourages them to develop physical literacy skills and experience a range of diverse activities from which they can identify what best works for them in terms of keeping active
- Our annual PE audit is used to compile a PE specific Action Plan set to develop the sustainability of high quality PE provision for all pupils.
