Monday 22<sup>nd</sup> June -Welcome back Reception!

of the school year

Believe, Achieve, Aspire

Buryan Bulletin
This week we welcomed back our Year 1

children, much like the Year 6s they settled back into school life seamlessly and they've had a great first week back. They have had a busy week back in school and as you can tell by the photo on the next page – it's been a really enjoyable one too.

Next week we hope to begin to welcome back our Reception children and we are Wednesday 22<sup>nd</sup> July - End making plans to cater for any potential wider-opening for other year groups.

> I haven't included our question and answer section this week; the reason being is that this week you all returned our Parental Survey for Home Learning and Return to School. There were some questions that came up from that so I will answer those within the summary of responses which will be sent out. Thank you to everyone for completing that, it was great to hear your feedback

and is extremely useful as we continuously look to improve.

We have been so impressed with everyone's level of engagement with your home learning, whether it be through Google Classrooms or other resources we have provided. We would like to remind you to keep on reading your digital books through Active Learn. This is a great way to keep up your reading skills. If you have forgotten your login details then please email Mrs King on lking@stburyanacademy.org

We would also like to remind you that now is a really good time to be practicing your Times Tables Rockstars! Let's try to get up that leaderboard. Again, if you have forgotten your password then let us know so that we can remind you of it.

If you haven't already, please go and vote for us on the Calor community project page to help us raise money for our outdoor learning space. You can do so here:

Finally, a big thank you to Mrs Rendle for organising and to everyone who helped fundraise for new library books. We managed to raise over £1000 and you can see a selection of these new books here! Have a great weekend,

Mr Josh McDonald

## ASSEMBLY THEME- INSPIRATIONAL PEOPLE

From September we will be looking at an inspirational person each month in our assemblies, newsletters, lessons and we will have a display about them.

So, we would like to know who you find inspirational and interesting. This could be a historical figure or someone from the present day.

Let us know who it is and why. Email your inspirational person to us at

head@stburvanacademv.org
