Penberth Class visit Penberth Cove: This week Penberth Class visited Penberth Cove to look for early signs of Spring. After walking down through the cove to discover the sea many sustainability issues were raised, the problems surrounding plastics in seawater etc. Then it was time to meet Mrs Rowe's chickens and collect some eggs which were taken back to school with great care and put into the incubator where we hope they will hatch. There was then just enough time to explore Mrs Rowe's garden and pick some flowers to bring back to school. Grateful thanks to Mrs Rowe for her hospitality and to all our parent helpers.

Newlyn Art Gallery Visit: Nanjizal Class enjoyed a visit to Newlyn Art Gallery this week as part of their 'Art on our Doorstep' project. Nanjizal were delighted that their art work was displayed in the main gallery at Newlyn and that they were able to meet many international artists who were working at Newlyn during a two week International Artists Exchange event. Amilie and Logan met and spoke with Terry Frost's grandson, whose work they had studied. Nanjizal were delighted to hear that, as their work had been displayed, they too had become Artists in Residence at this prestigious gallery. They would like to thank all the helpers on the visit and the staff at Newlyn Art Gallery.
