Dear Parents and Carers,

DRAGONS' DEN

Y5 and 6 faced the Dragons this week (aka 'Friends') as they pitched their entrepreneurial ideas in a bid to get funding in order to make their ideas a reality. Competition was fierce as the Friends agreed that all ideas had real potential. Decisions needed to be made...

After much deliberation and consideration of the many great ideas, decisions based on feedback from the whole group of Dragons were made and presented to Y5-6 the following morning. Money changed hands so now it's over to our enterprising group to use their skills in order to produce the products which will be sold to generate as much profit as possible for school funds. Photographs are available in Gallery on website.

Brains of Buryan- A Message from Porthcurno Class

This term year 5 and 6 are becoming Brains of Buryan and are aiming to become successful business people. At the start of the term they were tasked with designing a sustainable and product suitable for sale. After market research, working out costs, profit margins and designing their products they pitched their ideas in a 'Dragon's Den' style to the Friends of the School and Mrs Pascoe. All of the children were successful in gaining investment!

Over the next two weeks they will be putting together advertisements and building websites. After half term they will be building their products and sell them in a pop up shop.

However, they need your help!

If you have any multipack crisp packets, t-shirts that are no longer needed, large plastic bottles or tin cans then please bring them in. There are collection boxes in Porthcurno classroom. Please make sure that anything brought in is washed, clean, safe and suitable.

Thank you!

Safer Internet Day: Tuesday 6th February is Safer Internet Day. All classes will be discussing the importance of keeping ourselves safe when using the Internet. We will be using materials provided by CEOP (Child Exploitation Online Protection) and referring to issues raised during our 'StaySafe Cornwall' visit last term.

Thanks to our Volunteer Helpers: We would like to take this opportunity to thank the many parent/family/community volunteers who regularly give up their time to help us out in school. Please let us know if you may like to help us too- if you contact the school office and let Mrs. Care know the way in which you could help out (hearing readers, helping with a reading group etc.) we'd be delighted.
